

An all-volunteer nonprofit organization, the Newport Public Education Foundation empowers teachers, administrators and community partners to provide enriching educational experiences for the students of Newport's public schools. We are focused on providing the resources to inspire student achievement and expanding broad-based community engagement and support for public education.

Our Challenge

Newport's public schools continue to be challenged in many ways. Now more than ever, students and educators need our financial support to maintain a high standard of learning. We invite you to help us support educators and community partners in providing the best possible education for our students.

Behan Bros. Newport Night Run

The Newport Public Education Foundation annually partners with Gray Matter Marketing to present the Behan Bros. Newport Night Run, the area's only after-hours road race. Since its inception in 2014, the event has raised nearly \$100,000 for the foundation.

Our annual Behan Bros. Newport Night Run is scheduled for Saturday, April 1, and your support is vital to our success. Sponsorships directly benefit classroom teachers and community partners as they develop programs and projects to enhance the educational experience in Newport Public Schools.

100% of all sponsorship fees go directly to the Newport Public Education Foundation.

A community thrives when its members take an interest in the development of their youth. Thanks to the generosity and commitment of our community partners, the Behan Bros. Newport Night Run has impacted hundreds of students in Newport's public schools.

Your sponsorship of the 2023 Newport Night Run will help us continue our mission.
